# a few words...

Welcome to the new GSF Air-Cooled Brochure for 2005. We hope that you find the new layout easy to use. We have included some new lines and are working on others from your comments received. As ever, our prices are competitive. I must comment on pricing here: the pound sterling has fallen in value against the Euro and risen in value against the US Dollar; unfortunately most of our product comes from Europe and therefore there are more price increases than price reductions. In addition base materials and energy, especially steel has endured huge increases during the last year and we are continually having price increases from our suppliers, some are reflected in this brochure and some will change during the life of this brochure. Please accept that this is likely to happen.

From humble beginnings, GSF has continued to grow, and we now have two major distribution centres located at Heathrow and Birmingham, plus a network of 42 branches nationwide. We offer mail order, secure Internet shopping plus a cash and carry service at our branches. New Branches opened in the last year are Derby, Leicester, Chadwell Heath and Worthing. We will also be opening in Cheltenham in the New Year.

It has been said that GSF is losing interest in, or stopping Air-Cooled parts; let me unequivocally refute that, I still own and drive a Beetle! We are aware that we need to improve our range and during the life of this brochure we shall do so, some new items are now in stock. Our business philosophy is to give you excellent service, great prices, and a choice of ways to buy. We are not always perfect and please tell us when we fail.

Thank you to customers old and new for your support. We also thank our staff, now numbering over 500 Nationwide, many of whom have been with us for a great number of years, the Air-Cooled people having in the main previously worked with "German & Swedish", "Autocavan" or and lastly (for those who remember) "Vee Wee" and it is you & they who have helped make GSF Car Parts as successful as we are.

Stan West  
Founder – GSF Car Parts

a few words...

## stocking policy

We sell parts that are generally known as replacement parts. These can be:

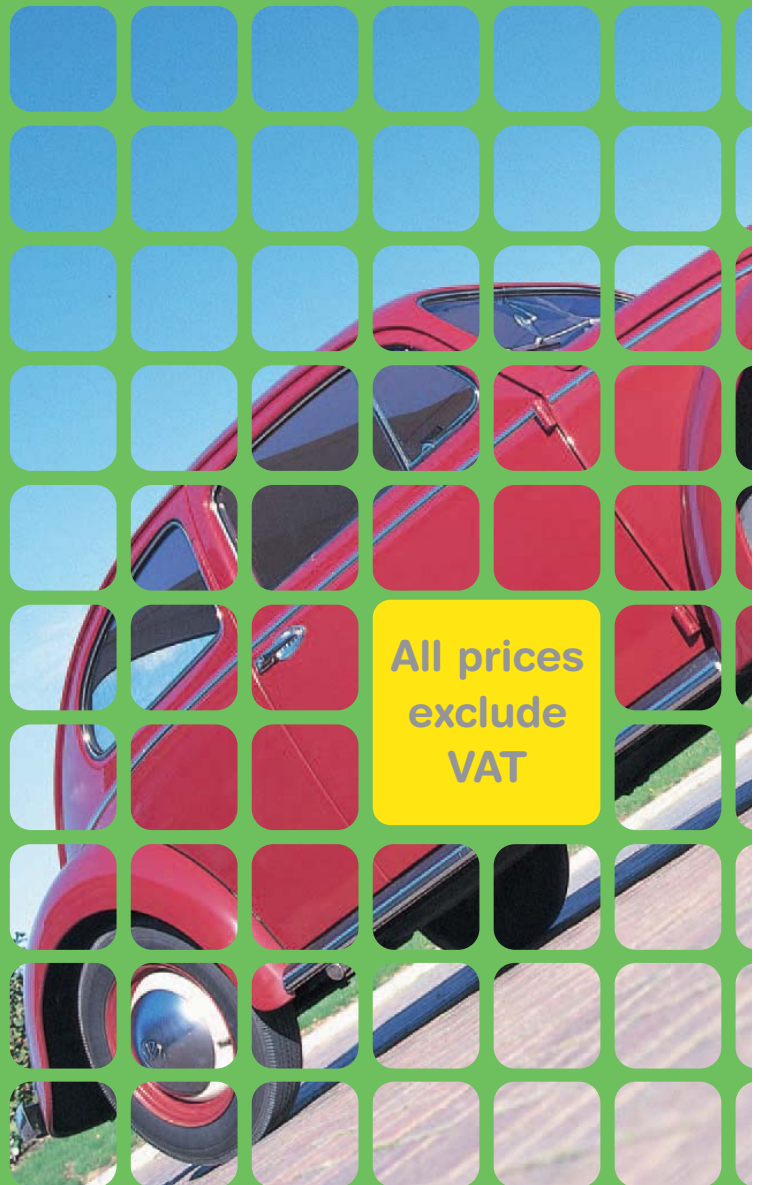

1. Manufactured by or on behalf of the car maker (common term "Genuine") and carry the car makers logo.
2. Manufactured by a supplier that supplies the car maker (common term "Original") and carry the manufacturers logo.
3. Manufactured by a supplier who does not supply the car maker.

Crankcase Stud Set

## Rocker Covers

Model	Year	Description	Part No	Price
T1/T2 1.2-1.6	63-79	Rocker Cover	10460	£3.75
T1/T2 1.2-1.6	63-79	Rocker Cover Clip	10465	£2.20
T1/T2 1.2-1.6	63-79	Rocker Cover Gasket	11021	£0.35

See pg 46 for details on how to order

## Piston & Barrel Sets

- Set of 4 Piston and Barrels complete with Piston Rings
- High quality to original specification

Model	Engine	Year	Piston Size	Part No	Price
T1	1.2 34HP	→69	77mm	16500	£150.00
T1	1.2	70-79	77mm	16501	£150.00
T1	1.3 Flat Top	→79	77mm	16502	£82.50
T1	1.5	67→	83mm	16504	£86.00
T1/T2 Mahle	1.6	→79	85.5mm	16505	£69.00
T1/T2 Cofap	1.6	→79	85.5mm	16505C	£69.00
T2/T25	2.0	→82	94mm	16510	£145.00

## Big Bore Piston & Barrel Sets

- Increase Engine size by fitting larger Pistons and Barrels - 1641 or 1679cc
- Approximately 10-20% more power

Model	Engine	Size	Description	Part No	Price
T1/T2	1.5/1.6	1641cc	Bolt On Forged Piston	16515A	£130.00
T1/T2	1.5/1.6	1641cc	Bolt On	16515B	£98.00
T1/T2	1.5/1.6	1641cc	Bolt On-Cofap	16515C	£98.00
T1/T2	1.5/1.6	1679cc	Bolt On	16515D	£165.00
T1/T2	1.6	1776cc	Machining required	16515E	£145.00
T1/T2	1.6	1835cc	Machining required	16515G	£160.00
T1/T2	1.6	1915cc	Machining required	16515H	£160.00

**MAHLE ORIGINAL**

## Piston Rings - Set of 4

Model	Engine	Year	Piston Size	Part No	Price
T1	1.2	71	77mm	16520	£15.75
T1	1.2/1.3	71	77mm	16521	£15.75
T1	1.5	69	83mm	16522	£15.75
T1/T2	1.6	79	85.5mm	16523	£15.75

### How to find your chassis no.

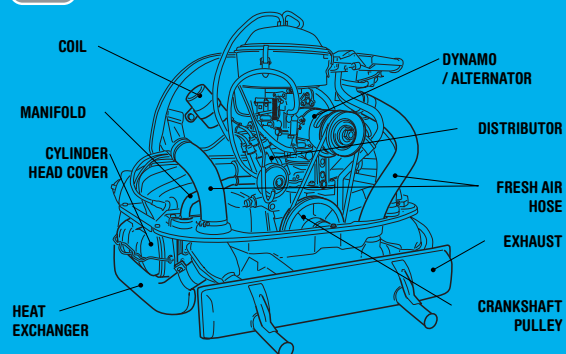

**Beetle Chassis no. location:**  
Stamped on the transmission tunnel under the back seat

**Van Chassis no. locations:**

1. On the vertical surface to the right of the engine
2. On the vehicle identification number (VIN) plate on the right hand side of the overhead fresh air duct in the cab
3. On the panel behind the drivers seat
4. The right hand engine cover plate
5. The left hand engine cover plate (late models)
6. On the identification number plate near the windscreen

## Clutch Friction Plates

See pg 46 for details on how to order

Model	Engine	Size	Part No	Price
T1	1.2/1.3	180mm	19201	£17.50
T1	1.5-1.6	200mm	19203	£21.00
T2	1.5-1.6 ⇒75	200mm	19203	£21.00
T2/T25	1.6 76⇒	215mm	19204	£31.00

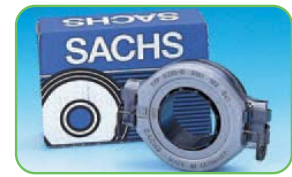

### Technical Tips

When fitting a clutch use an old broom handle for centering. Also turn the crankshaft pulley a fraction of a turn this will engage the engine to the gearbox. Upon fitting a new clutch remember to remove packing clips, also make sure the clips on the release bearing are tight.

## Clutch Release Bearings

Early Style Release Bearing

Later Style Release Bearing

Model	Engine	Year	Part No	Price

T1/1302/3	72-79	65310	£16.00
T2 (no Servo)	71-79	65325	£18.50

### Technical Tips

After replacing a brake wheel cylinder – it is advisable to renew the brake fluid in the system.

It is advisable to check on the condition of the rubber boots on all wheel/brake master cylinders and caliper seals. If there is any sign of deterioration or leaks you must replace or failure will result.

## Front Wheel Cylinders

T1	⇒79	76105	£5.75
T1 LHD	⇒79	76104	£5.75
1302/3	70-79	76107	£5.75
1302/3 LHD	70-79	76106	£5.75
T2	⇒79	76112	£7.95
T1/2 Speedo Cable Circlip		76100	£0.10

## Handbrake Boot

Handbrake Boot 65-74

You can also place an order by emailing us at: [aircooled@gsfcarparts.com](mailto:aircooled@gsfcarparts.com)

Model	Year	Part No	Price
Handbrake Boot	65-74	73220	£5.40
Peddal Rubbers Brake/Clutch		73210	£0.60
Accelerator		73211	£2.50

### Technical Tips

Check the travel/free play of clutch/accelerator/handbrake pedals after fitting a new cable. The cables will stretch on initial use.

When fitting new cables always grease the cable and if possible inject grease into the cable guide tube to eliminate chaffing and cable failure.

### Technical Tips

When fitting repair panels and heater channels on a Beetle, do not disturb the rear seat support bar as this helps keep the body shape correct.

## Technical Tips

When welding panels where distortion can occur, use the spot weld methods using a MiG welder. Work from the centre outwards. Between each weld allow the panel to cool, this will minimise the effects of distortion.

## Technical Tips

Before cutting out a rusted section, offer up the new panel and scribe round it, this will ensure that the repair panel will fit properly.

### Technical Tips

#### Removing and Installing an Engine

1. Always attach identifying tags to all wires, plugs etc. before disconnecting.
2. Quickly pull off fuel hose and clamp it quickly to avoid fire risk.
3. When installing the engine put transmission into gear, put handbrake on, then hand turn the crankshaft until splines mesh.

### Technical Tips

Engine Firing Order 1-4-3-2

# Opportunities at **GSFCAR PARTS**

- large rounded bumpers
- Engine vents upper rear quarter
- Small rear lamps

Van  
72-79

- Bay window front windscreen
- Large square section bumpers
- Large rear lamps
- Front indicators above headlamps

# how to order

## mail order

Using the German Swedish & French mail order service ensures you receive your order quickly and efficiently – without any hassle.

**However please remember to give us the correct information about:**

- Yourself
- Your vehicle
- Your payment card

> Order by 6.00pm Monday-Friday to receive your order within one working day (UK only, depending on postcode).

> If a part is not in stock we will inform you immediately and obtain the part as quickly as possible.

## you can order by...

mail

German Swedish & French,  
The Planet Centre,  
Armadale Rd, Feltham,  
Middlesex, UK TW14 0LW

phone

020 8917 3803

Also available from Glasgow, Dublin and Belfast

## export

Our export staff will advise you on the best way to despatch your order.

Please note residents of the EU must pay VAT unless they can provide a VAT registration number.

You can be assured that your order will be correctly picked and checked. We also insure all goods going overseas in case of loss or damage.

**phone** 00 44 20 8917 3895

**fax** 00 44 20 8818 0099

**email** [aircooledexport@gsfcarparts.com](mailto:aircooledexport@gsfcarparts.com)

**web** [www.gsfcarparts.com](http://www.gsfcarparts.com)

## how to pay

- Cheques
- Postal Orders
- Bank Draft
- Money Order.

*Make cheques payable to German Swedish & French.*

We accept all major cards –

### Delivery Charges - Mainland UK

Jiffy/Parcel up to 5 days max weight 500g from £2.50 + VAT

Express Order by 6pm 24-48 hrs Monday-Friday max weight 25kg from £7.95 + VAT

Next Day Noon Order by 6pm 24 hrs Mon-Fri from £12.00 + VAT

fax

## cash and carry

If you are making a long or special journey please phone first to check that the part you require is in stock.

We have an efficient “express” counter service, where you receive individual attention, help and advice.

If a part you require is out of stock we will do our best to obtain it for you. Counter customers can pay using cash, cheque, Switch and all major credit cards

**phone** 020 8917 3875

## terms and conditions

1. All goods remain the property of German Swedish & French until payment has been received in full.
  2. All orders should be checked immediately upon receipt. Shortages or damaged items must be reported within 24 hours.
  3. Items being returned for credit must be received within 5 days of purchase, accompanied by the relevant invoice.
  4. Electrical units cannot be returned for credit if fitted.
  5. Parts returned for credit must be in resaleable condition, in their original packaging. Items fitted cannot be refunded if correctly supplied.
  6. Surcharges must be paid on purchase of all exchange units. The surcharge will then be credited when the unit has been cleared through our returns department.
  7. Exchange units cannot be refunded if German Swedish & French consider the part to be in an unserviceable condition.
  8. Whilst every effort is made to ensure that the information contained in this catalogue is correct at the time of going to press, product improvements or price alterations may occur during the lifespan of this catalogue.
  9. The above is a condensed version of our full terms and conditions of sale. A complete version is available FOC from any one of our outlets and is also shown on the back of any sales invoice.
  10. Occasionally we may substitute with a different quality but this is rare.
- Please note:** All prices exclude VAT. During the lifetime of this brochure prices might change due to increased Material and Engery costs. All prices correct at the time of going to press December 2004. E & OE.
